## Tour Itinerary

## Details : Full Description

Departure from the Marina: Begin your adventure by departing from the marina and cruising for 15 minutes to one of the most stunning coral reefs near the Hurghada coastline. Underwater Observation Deck: Descend into the air-conditioned, glass-walled observation deck and marvel at the extraordinary underwater world through huge panoramic windows. Relax in comfort as you soak in the views for approximately 45 minutes. Snorkeling Stop: Dive into the crystal-clear waters for a 20-minute snorkeling session, getting up close with the vibrant marine life. Return to the Marina: After your snorkeling

adventure, sail back to the marina, ending your journey with unforgettable memories of the Red Sea's underwater paradise.
